Verwendung

Die Schutzscheibe schirmt den Fahrer von den rotierenden Laufrädern ab. Somit kann die Bremsscheibe während der Fahrt nicht erreicht werden.

Intended use

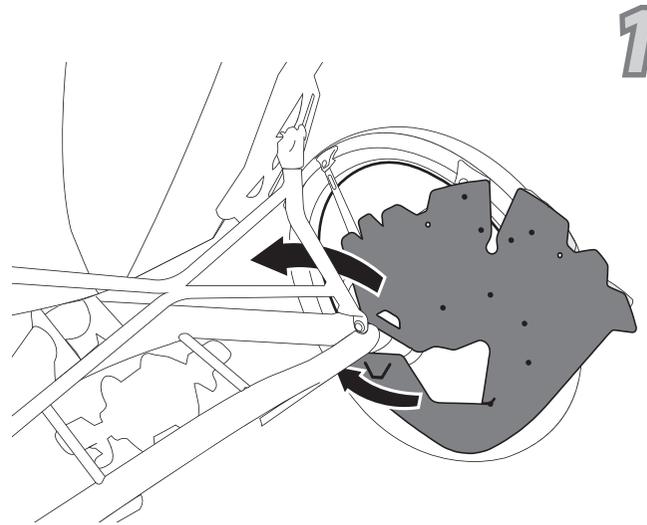

The wheel and disc protection plates shields the rider from the rotating wheels. The disc brake cannot be reached while riding the bike.

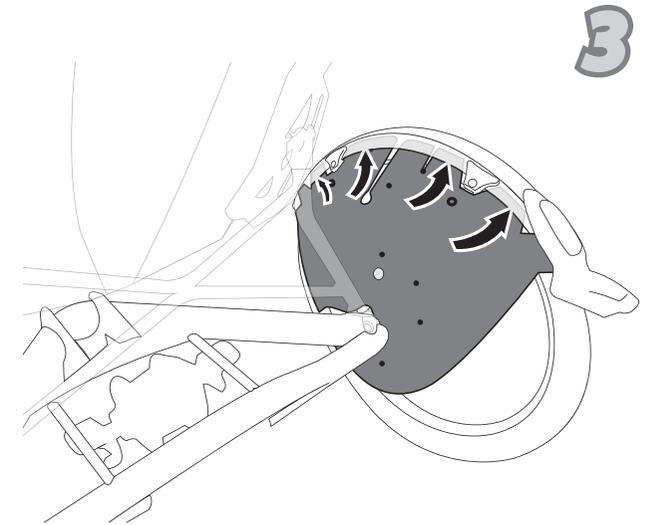

Achtung! Caution!

Die Schutzabdeckung für Disk und Laufrad wurde für die Verwendung an Hase Bikes entwickelt. Bei Verwendungen an anderen Fahrzeugen übernehmen wir keine Haftung.

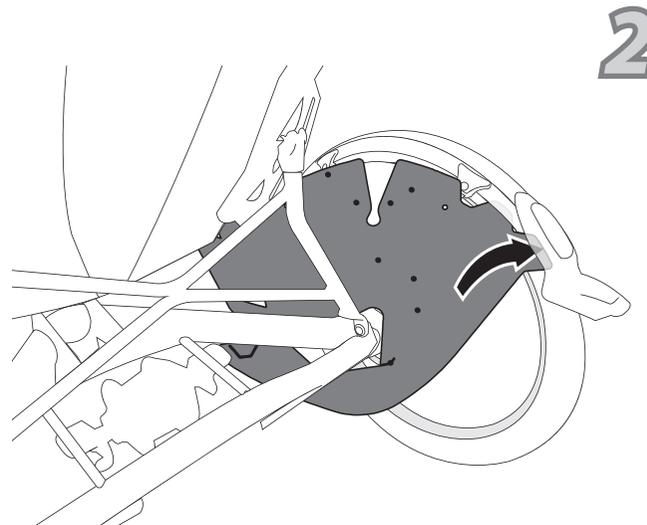

This cover was exclusively developed for Hase bikes. Disk brakes and wheels are dangerous, never touch them while riding.
